Reference: Year-End Report (7/1/99-12/31/99)

This memorandum is in response to your letter dated March 8, 2000 that was submitted due to concerns prompted by your review of the Year-End Report (7/1/99-12/31/99):

Advertisement Expenditures

In 1999, BAMPAC incurred expenditures to fund an advertising campaign targeting African Americans. The purpose of this campaign was to present views on issues of importance to African Americans such as reforming the Social Security program and promoting our support for excellence in education. At no time were any of these advertisement expenditures made on behalf of federal or nonfederal candidates.

"Best Efforts"

In response to your concerns regarding our "best efforts" to obtain the occupation and name of employer for contributors who exceed the \$200 threshold. Our committee will file an amended memo Schedule A listing all the contributions for which additional information was received with its next regularly scheduled reporting date which is April 15, 2000.

If you require any further information, please contact me at (202) 785-9619 or write me at the address shown below.

Sincerely,

  
C.E. Jones, Assistant Treasurer
